**The Combined Arms MOUT Task Force/Integrated MOUT Training Systems (CAMTF/IMTS) Program will support the Urban Training strategy that encompasses the Combined Arms Collective Training Facility (CACTF) for Homestation, Live Fire Shoothouse and Urban Assault Course (UAC). These facilities are used to conduct individual to combine arms collective training for the Active and Reserve Component Army within the context of the Combined Arms Training Strategies for MOUT. The program will leverage existing MOUT/RT Common Instrumentation Architecture and existing technologies to ensure to the maximum extent possible, the horizontal technical integration for the follow on MOUT- Objective Instrumentation System (MOUT-OIS) in accordance with the Common Training Instrumentation Architecture (CTIA).**

**Competition Type: TBD**  
**Period of Performance: FY05– FY09**  
**Estimated Dollar Range: >\$30M**  
**Estimated RFP Release Date: 3Q04**  
**Estimated Award Date: 1Q05**
